UNCLE SAM AND GREATER AMERICA

The number of Churchgoers in the United States in 1898 was 37,714,522—an increase for the year of over 862,000. For the sake of accuracy they might have made it \$62,001—but a poor devil of an Editor never gets credit for a good thing he does.

A CONTEST is on at Covington between Judge WALTER S. EVANS of the Federal Court and the Hon. H. C. Campbell of the Circuit Court to determine which is the biggest man—Campbell county, Ky., or the United States of America. Cuba, Porto Rico and the Philippines. It's dollars to doughnuts that HOOKE loses.

TEN County Grand Jury returned ten indictments against insurance companies for conspiracy to raise rates and nineteen against the Standard Oil Company for retailing without license. The fact that the wind sometimes blows sixty miles an hour and damages things was inadvertently overlooked, or it too would have been indicted.

Mr. and Mrs. James L. Dickey have gone to houses in the country.

THE YOUNG MEN.

What the Maysville Y. M. C. A. is Doing For Their Betterment.

The Ladies' Committee of the Y. M. C. A. is requested to meet with Mrs. M. C. Russell at her home this afternoon at 3:30 o'clock.

The Association, like all the homes of the city, must go through a stage of house cleaning, after which we expect to appear fresh and bright for the hot summer months. The reading-room will be open from 9 a.m. to 10 p.m., and all men are welcome to come here and while away leisure hours or spend their few spare moments in looking over the daily papers. The racks and tables are just full of the best literature. The bathrooms are even more inviting than ever. During the long hot days what would be pleasanter or more refreshing than a shower bath? Remember that a shower of water is the best way to take a hot bath, as it cools the body as it does the water.

AGUINALDO FLEES

Insurgent Leader Retreated Into Nueva Ecija Province Two Weeks Ago.

NOTHING HEARD OF HIM SINCE.

The Spanish Prisoners Reported Held by the Filipinos Have Been Taken Into a Northern Province.

They Are Beyond American Success This Season Unless a Filipino Surrender Takes Place Soon—Five American Prisoners at San Miguel.

NEW YORK, May 16.—A dispatch to the Herald from San Miguel via Manila says: It is said that Aguinaldo has fled into the province of Nueva Ecija. On April 29 he retreated by carriage from Bulacan through San Isidro and nothing has been heard from him in two weeks since.

The 5,000 Spanish prisoners who are reported to be held by the insurgents have been carried into a northern province and scattered along small garrisons. They are beyond American success this season unless a Filipino surrender takes place within three weeks.

Five American prisoners were captured through this town last week. Their names are unknown.

SAN MIGUEL, May 14 (via Manila, May 16).—The insurgent general, Gregorio del Pilar, believes that he has been deserted by the Filipino government and desires to surrender if he can secure what he regards as honorable terms from the Americans.

LONDON, May 16.—The following dispatch has been received by Lloyds from Manila:

"Owing to the orders of the revolutionaries all English employees have been forced to leave the rice mills and come here. Native employees will be left at the mills. A protest has been filed with the British consul."

THE MATCH SAFE EXPLODED.

A Lawyer of Omaha, "Blown Up"—A Sheet of Flame Started From His Pocket—A Panic in a Crowd.

OMAHA, Neb., May 16.—Z. T. Clark, an Omaha lawyer, was practically blown up Monday by the explosion of the contents of a "safety" match safe which he carried in his vest pocket. He was just turning from the crowded street into his office, at the Range building, when a loud explosion was heard and a sheet of flame darted from the vest pocket of the lawyer and extended several feet into the air. The lawyer was knocked down, and the people surrounding him hastily scattered to a safe distance. A policeman rushed forward and raised the wounded man from the pavement. He was badly burned about the hands and face, but was not internally injured.

The extraordinary accident was attributed to the friction igniting the chocolate of potash tablets in the safety match case.

THE BANK TAX LAW.

Justices Pechman and White of the United States Supreme Court, Hand Down an Important Decision.

WASHINGTON, May 16.—In the United States supreme court Monday Justices Pechman and White handed down an important decision on the constitutionality of the bank tax law of Kentucky. The case did not deal with the tax direct, but with a stipulation made by the city attorney of Louisville, which the banks claimed rendered their cases res adjudicata. The court held it was beyond the attorney's power to make a stipulation that would be binding and hence the contention of res adjudicata was not well founded.

GENERAL ANTI-TRUST LAW.

Gov. Sayre Will Address Letters to the Governors of All the States Asking for a Meeting to Consider the Matter.

Houston, Tex., May 16.—Gov. Sayre gave out the information Monday that as soon as the legislature adjourns he will address a letter to the governors of all the states asking a meeting with their attorney generals for the purpose of calling a conference upon an effective anti-trust law to be presented to the legislative assemblies. In the meantime he will insist upon the legislature enacting such a law at the present session.

CUBAN SITUATION

Among Well Informed Army Officers in Washington it is Considered Very Grave.

DIPLOMATIC MANAGEMENT NEEDED.

The Plan of Distribution of the \$8,000,000 Among All Cuban Troops Causes Disappointment.

The Generals and Other High Officers Expected to Secure a Large Share of the Money—A Small Riot in Cienfuegos Over Back Pay.

HAVANA, May 16.—Gen. Maximino Gomez informed Gov. Gen. Brooke Monday that he must withdraw from the plan for distributing the \$8,000,000 appropriated to the payment of the Cuban troops to the extent that he will not make any commissioners to collect those originally intended, those who have refused to serve. Gen. Brooke is to go ahead with a new plan, Gomez remaining in an attitude of friendly inactivity.

Gen. Brooke will issue an order for Cuban privates and non-commissioned officers to meet at specified places on specified dates to receive payment to be determined by the company, order for the payment of the administration.

Both Gen. Gomez and the governor general feel that the privates ought not to lose their share in the American gratuity merely because the schemes of certain high officers in the Cuban army have interposed obstacles.

The belief among the Americans is that the company officers will assist in this way. Gen. Brooke's order will be disseminated through the newspapers, and in the post offices, and given the widest circulation practicable.

WASHINGTON, May 16.—High officials in the war department were reluctant to discuss the Cuban situation Monday afternoon. The press dispatch was read with interest, but it did not cause much surprise among army officers who are well informed about the Cubans, especially those who are known as "good" officers and who have been better disappointed because the island was not turned over to them immediately after the Spanish surrender. There is an impression also that the intention of Gen. Brooke to see that the \$8,000,000 are distributed among all the Cuban troops has caused disappointment among the many "generals" and other high officers who were evidently expecting to secure a large share of the money.

The belief was expressed that the situation in Cuba is serious and that careful and diplomatic management will be needed.

It was stated that no orders would be issued to Gen. Brooke, as he had ample authority to deal with any situation which might arise. There seems to be belief that Gen. Gomez has contributed to the delay in the payment of the money.

The plan apparently contemplates the rapid swinging of Lawton to the west. Gen. MacArthur to remain at the front, Ferrell to be the insurgents at Bataan and Lawton at Manila, and the dispatch of Maj. Cobb with 1,000 to the Rio Grande, supported by transports and canoes is for the purpose of enabling Gen. Lawton to cross the Rio Grande without molestation by the enemy.

AGUINALDO WANTS TO ARRANGE TERMS

The Filipino Commission May Submit to American Commission Aguinaldo's Answer to a Former Proposition.

In the meantime Gen. Otis is making preparations to continue military operations—Nothing but an unconditional surrender will suit him.

WASHINGTON, May 16.—A satisfactory conclusion is expected by administration officials from the conference which will be held by the American Philippine commission with the commission which Aguinaldo proposed to send to Manila.
